ISLE OF MAN TT RACES 2009

Introduction

Described by Murray Walker as the 'greatest motor-sporting event in the world', the Isle of Man TT is a unique and awesome spectacle that has no equal and no substitute. Excitement, triumph, glory, exhilaration, disappointment and despair – the TT has it all, and for two weeks in June the Isle of Man is the place where all eyes are focused.

The 2009 TT Races are eagerly anticipated after an absolutely cracking TT 2008 which was labelled the 'best ever' by MCN. Expect the entry this year to be the best ever too. Not only are all the big name TT riders and teams returning in 2009, but the entry list is expected to include a large number of new teams and riders from around the globe making this year's event the most exciting in recent memory.

We are delighted to present the Official Hospitality offer for this year's event here and booking hotlines are now open. You and your party will be welcomed to the exclusive TT VIP Club where you can watch all the racing, meet some of the top riders and be at the heart of the world famous Isle of Man TT Races. The Hospitality Suite is located trackside, adjacent to the TT Grandstand, Douglas and provides the most unrivalled TT experience short of being a pillion passenger!

Available on each race day, packages can be purchased on an individual basis or complete tables of eight.

LEFT: The exclusive TT VIP Club is located trackside in a parkland setting and in view of the start / finish line.

Event Information

Racing kicks off with the awesome TT Superbike Race on Saturday 6th of June, followed by the first of the ever popular Sure Mobile Sidecar Races. Monday hosts the ultra-competitive Royal London 360° Superstock Race and the first of the Relentless Supersport Races. Wednesday sees the second races for both the Supersport and Sidecar classes whilst Friday plays host to the big one – the Senior TT.

Also held on the famous TT Course on Friday is a unique and exciting event - the newly introduced TTXGP event for 'green' racing machines. Raced over one lap of the mighty TT Course, the 'Green TT' is the World's first clean emission Grand Prix.

SATURDAY 6TH JUNE:

TT Superbike Race & Sure Mobile Sidecar Race 1

MONDAY 8TH JUNE:

Royal London 360° Superstock Race & Relentless Supersport Race 1

WEDNESDAY 10TH JUNE:

Relentless Supersport Race 2 & Sure Mobile Sidecar Race 2

FRIDAY 12TH JUNE:

TTXGP Race and Senior TT Race

LEFT: Hospitality guests can meet and greet the TT's top riders throughout race week.
