Discover your Isle of Man

Sometimes the best discoveries are right under your nose. Lying at the heart of the British Isles, the Isle of Man is both familiar and a world apart. Timelessly beautiful, with a character and spirit all of its own.

Whatever you want from your days out – heritage, local produce, adventure, nature, relaxation or fun with your family – you will find it here in the Isle of Man. Thanks to our unique Victorian railways and comprehensive bus service, it couldn't be easier to get around.

Explore with Heritage Railways

Start by taking the steam train south to **Castle Rushen** – one of the best preserved medieval castles in Europe. Close to the castle, visitors can enjoy an interactive sitting at the **Old House of Keys**, or stroll along to **The Nautical Museum**, which provides a fine introduction to the Island's maritime heritage. A few miles away at **Cregneash**, visitors can discover how Manx crofters once lived. Meanwhile the Island's industrial past unfolds in Laxey at the foot of our most famous landmark of all, **The Great Laxey Wheel**. Accessible via the Manx Electric Railway, it is easy to explore the mining heritage at Laxey along with the delightful beach and harbour in Old Laxey. Many other heritage sites – such as Ramsey's **Milntown House** and **The Grove Museum of Victorian Life** – are also easily reached by tram.

When not exploring with the Island's railways, why not hop on a bus from any of the main stations and discover more amazing places? Iconic **Peel Castle**, the windswept Viking stronghold on St Patrick's Isle, is an absolute must and, whilst in Peel, be sure to make time for the award-winning **House of Manannan**.

Manx Electric Railway

If you want to explore the north of the Island, do so in Victorian style by taking a charming electric tramcar. The 17 1/2 mile route from Douglas to Ramsey hugs the Island's east coast, passing through gorse topped hills, glorious Victorian glens and spectacular coastal scenery. 2018 marks a special occasion for the Manx Electric Railway which will be celebrating its 125th anniversary since the opening to Groudle in 1893.

Snaefell Mountain Railway

Alight at Laxey station to change to the Snaefell Mountain Railway – a unique Victorian enterprise. Built in 1895 and famously completed in just seven months, the railway winds from Laxey village to the summit of Snaefell, the Island's only mountain, where breathtaking views await. It is said that from here, you can see seven kingdoms – Mann, England, Ireland, Scotland, Wales, Heaven and Neptune's Realm.

Isle of Man Steam Railway

Dating back to 1874 the Steam Railway line, which runs 15 1/2 miles from Douglas to Port Erin, is arguably the oldest narrow gauge railway in continuous operation in the British Isles. The railway still uses the original locomotives and rolling stock.

Rocking gently through beautiful countryside watching the train's 'breath' drift by is a timeless experience for rail enthusiasts and visitors of all ages. You can learn more about the fascinating history of this railway at the Port Erin Railway Museum located next to the Station.

OPERATING DATES: 9 MARCH - 5 NOVEMBER 2018

Douglas Bay Horse Tramway

Built in 1876 the Douglas Bay Horse Tramway runs for over 1 1/2 miles along Douglas Promenade from the Sea Terminal to Derby Castle. Take time to absorb the views of the majestic Victorian facades and Douglas Bay.

Planning your day out...

North by Electric

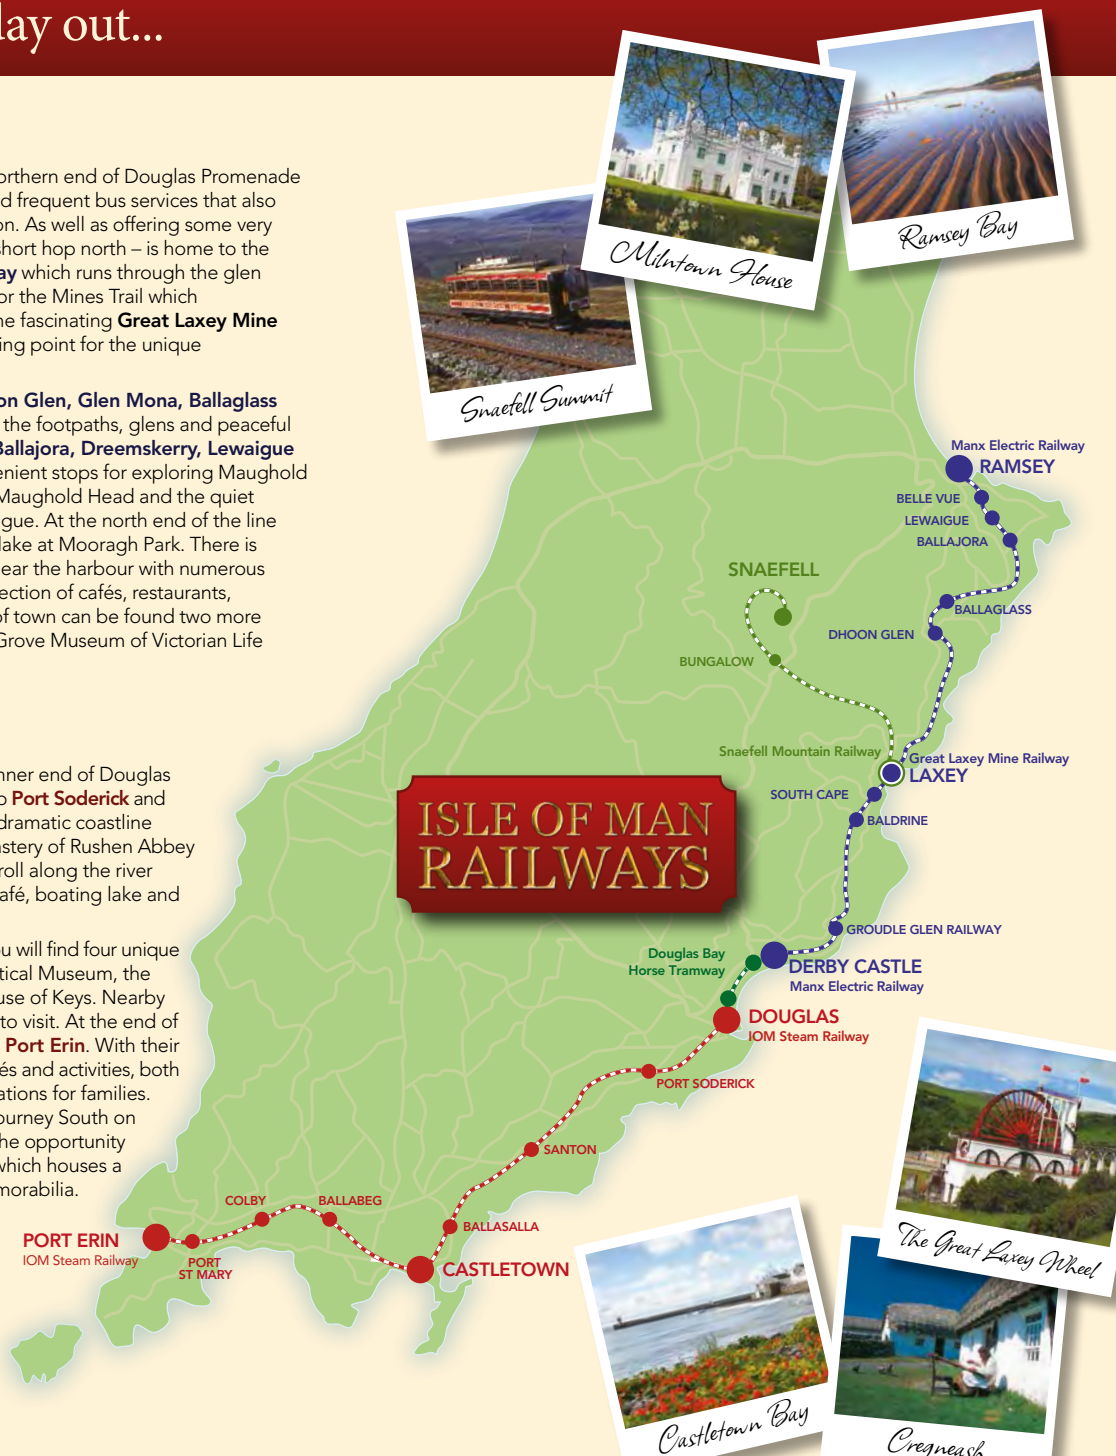

The **Derby Castle** terminus is at the northern end of Douglas Promenade and is served by the horse tramway and frequent bus services that also connect with the **Steam Railway** station. As well as offering some very pleasant walks, Groudle Glen – just a short hop north – is home to the lovingly restored **Groudle Glen Railway** which runs through the glen and out to the coast. Alight at **Laxey** for the Mines Trail which includes the Great Laxey Wheel and the fascinating **Great Laxey Mine Railway**. Laxey Station is also the starting point for the unique **Snaefell Mountain Railway**.

North of Laxey, the tram stops at **Dhoon Glen**, **Glen Mona**, **Ballaglass** and **Cornaa**; all are ideal for exploring the footpaths, glens and peaceful beaches along the coast. Further on, **Ballajora**, **Dreemskerry**, **Lewaigue** and **Belle Vue** provide the most convenient stops for exploring Maughold Church, the rugged coastline around Maughold Head and the quiet beaches at Port Moorar and Port Lewaigue. At the north end of the line is **Ramsey** with its impressive boating lake at Mooragh Park. There is good shopping in the narrow streets near the harbour with numerous independent retailers, plus a good selection of cafés, restaurants, tearooms and pubs. On the outskirts of town can be found two more of Ramsey's famous attractions – The Grove Museum of Victorian Life and Milntown House.

South by Steam

Douglas Station can be found at the inner end of Douglas Harbour. From here it's just a short trip to **Port Soderick** and **Santon** – ideal stops for exploring the dramatic coastline south of the capital. The ancient monastery of Rushen Abbey is found at **Ballasalla** and a leisurely stroll along the river brings you to Silverdale Glen with its café, boating lake and children's play area.

Further along the line at **Castletown** you will find four unique heritage sites; Castle Rushen, the Nautical Museum, the Old Grammar School and the Old House of Keys. Nearby there are shops, pubs and restaurants to visit. At the end of the line you will find **Port St Mary** and **Port Erin**. With their sandy beaches, sheltered harbours, cafés and activities, both villages have become favourite destinations for families. If you want to learn more about your journey South on the Steam Railway then why not take the opportunity to visit the Port Erin Railway museum which houses a fine collection of rolling stock and memorabilia.

THE GREAT LAXEY MINE RAILWAY

The Great Laxey Mine Railway offers a fascinating glimpse into the Island's industrial past. The line is found in the Valley Gardens just a short walk from Laxey Station and trains run every few minutes from 11.00am to 4.30pm. The railway operates every Saturday from Easter Saturday until the end of September and every Sunday during August.

Replicas of the original Ant and Bee locomotives run on a 19 inch gauge tramway that used to go 1½ miles into the Great Laxey Mine, one of the richest lead mines in Britain in the 1870s. Volunteers have restored the surface section of the Great Laxey Mine Railway and the railway is now the sole user in the British Isles of this unusual gauge.

For more details call 862007 or visit www.laxeyminerailway.im

GROUDLE GLEN RAILWAY & SEA LION ROCKS TEA ROOMS

Just a few miles north of Douglas, and easily accessible via the Manx Electric Railway, is the Grouldle Glen Railway - a Victorian tourist attraction lovingly restored for modern-day visitors. The railway operates at Easter, plus Sundays from May to September - 11am - 4.30pm, Wednesday evenings 14 June to the end of August and for special events.

THE ORCHID LINE

The miniature railway at Curragh Wildlife Park operates from Easter to November, every Sunday and most bank holidays.
